

Reclassification as a Resident

Students classified as non-residents of Texas upon first enrollment are presumed to be non-residents while they continue as students. After residing in Texas for at least 12 months, a non-resident student may be reclassified as a resident student as provided in the rules. Tuition as a resident of Texas will be charged at any subsequent registration as long as he continues to maintain his legal residence in Texas. Supporting documentation for reclassification must be submitted to the Admissions Office prior to the official record date.

Note: National Writing Project refund policy will be configured when definite data exists.

Tuition Waivers Based on Residency

Lower Division – For Non-Residents

The same rate of tuition and fees charged to residents of the Southmost Union Junior College District for lower-division courses shall be charged to people, and their dependents, who are permitted by Congress to domicile in the United States and who own property which is subject to ad valorem taxation by the college district. Aliens not domiciled in the United States are not eligible for this waiver. Interested students should contact the Admissions Office, Tandy Hall No. 115, or call 882-8295.

Lower Division, Upper Division, UTB Undergraduate, Graduate – Residents of Mexico

State law allows students who are citizens of Mexico and who document financial need to pay the same tuition as residents of the State of Texas when enrolling. To be eligible for this waiver, students must complete all admission and registration requirements. Financial Aid application deadlines for the Mexican National Tuition Waiver are May 1 for fall semesters, October 1 for spring semesters and April 1 for Summer sessions.

Note: Students qualifying for tuition waivers continue to be classified as non-resident or foreign for residency purposes.

Financial Responsibility

Returning Students

Prior to registering for a semester, students are required to pay or clear any outstanding financial balances with UTB/TSC by contacting the Business Office. These are some examples of outstanding financial balances that will prevent a student from registering for a semester:

- Balance on installment plan
- Balance on emergency loan
- Balance on student account

- Balance on financial aid repayment
- Parking citation
- Library fines

For All Students

Failure to pay any amount owed within the allotted time can result in the withholding of registration privileges, official transcripts, grades, degrees, and other penalties and actions allowed by law.

Students are expected to pay for tuition and fees within the specified payment period. Students are not entitled to enter classrooms or laboratories until payment for tuition and fees has been made or a payment option has been selected by the student. All tuition and fees payments must be received at the Business Office before the payment deadline date.

All students receiving Federal Title IV grant or loan assistance will have all tuition and fees charged against the award. Any remaining balance will be disbursed to the student in the form of a check which will be mailed to the student. Initial balances are generally mailed to the student on or about the first day of class.

It is the student's responsibility to ensure that their financial assistance has been awarded.

- If a student account has a balance of \$75 or more resulting from the original registration, the student's registration will be voided. Students who add classes and do not pay by the add/drop payment deadline will not be dropped from their classes. Students will be officially enrolled in the classes and will receive a grade. It is the student's responsibility and obligation to pay for the tuition and fees for the added class.

Types of payments accepted at the Business Office:

- Cash
- Personal checks (include ID)
- Money order (include ID)
- VISA (include ID)
- MasterCard (include ID)
- Sting Card

For your convenience, a check payment drop box is located next to the Business Office at Tandy Hall No. 107. Payments must be for the full amount of tuition and fees. Student identification numbers should be indicated on checks. All payments that are mailed or placed in the drop box must be received by the Business Office on or before the payment deadline date.

Checks should be mailed to:

The University of Texas at Brownsville
and Texas Southmost College
Business Office
P.O. Box 3640 • Brownsville, TX 78520-3640

When the bank for whatever reason returns a check, a \$25 nonrefundable return check service charge is assessed. The student is given 10 days from the date of notice to make full payment by cash, money order or cashier's check. Once the student has had returned checks, then for future payments UTB/TSC reserves the right not to accept any personal checks from the student. Returned checks not paid will be submitted for collections. Students will be liable for any court costs and attorney fees.

For your convenience, VISA and Master Card payment information may be faxed to the Business Office at (956) 882-7981 and must be received before the payment deadline. It is the student's or cardholder's responsibility to verify that sufficient balance is available in the account to process payment. The following is required in order to process payment.

- Student's name
- Student's ID
- Type of credit card
- Credit card number, expiration date
- Printed name of credit card holder and signature of credit card holder
- Student's telephone number.

Outstanding Balances Owed

The Business Office will not release a refund check to a student if the student has any outstanding balance owed to the university.

Residency Classification for Tuition Purposes

Lower Division Resident In-District Students

Residents of the taxing district of Texas Southmost College, which includes Brownsville, South Padre Island, Port Isabel, Laguna Vista, Bayview, Los Fresnos, Olmito, Rancho Viejo and routes 3, 5, 7, 8 and 9 in San Benito, pay in-district tuition rates.

Individuals who are domiciled in the United States and own property in the district subject to ad valorem taxation, and their dependents, are also charged the in-district rate.

Evidence of ownership of such property shall be a current certificate of payment provided by the Cameron County, Texas, Tax-Assessor Collector. It must be submitted with the application for admission and will be retained. This evidence must be resubmitted annually.

Dependents of property owners must submit a copy of the prior year's income tax form listing the student as a dependent.

An international student, for example a student on a F-1 or J-1 visa, who is not permitted to establish domicile in the United States does not qualify for the in-district tuition rate. This provision only extends to students who enroll in lower division courses and does not extend to upper division or graduate level courses. For more information, contact the Admissions Office.

Lower Division Resident Out-Of-District Students

Residents who do not reside in the taxing district described above.

Lower Division Non-Resident Students

These are citizens or permanent residents of the United States who not eligible to be classified as residents.

Foreign students are aliens who are not permanent residents of the United States or who have not been permitted by Congress to adopt the United States as domicile while in this country. An individual classified as a non-resident or foreign student may qualify, under exceptions specified in the statutes and rules, for resident tuition rates and other charges while continuing to be classified as a non-resident or foreign student.

Students entering for the first time or students reentering after an absence of more than one semester, should carefully read the rules governing residence in order to be prepared to pay the required tuition fee. Information and advice regarding residency status is available from the Admissions Office.

Upper Division, UTB Undergraduate and Graduate Resident Students

These are students, for those younger than 18, whose families have lived in Texas for 12 months before registration or, for those 18 and older, who have lived in Texas for 12 months before registration. Residents are individuals who are either U.S. citizens, national or permanent resident aliens or aliens who have been permitted by Congress to adopt the United States as their domicile while in the United States and who have otherwise met the state requirements for establishing residency for tuition purposes.

Upper Division, UTB Undergraduate and Graduate Non-Resident Students

These are citizens, national or permanent residents of the United States or non-residents who have been permitted by Congress to adopt the United States as their domicile while in the country and who have not met the state requirements for establishing residency for tuition purposes. While these state requirements for establishing residency are complex and should be referred to in each particular circumstance, they gradually require a minimum of 12 months residence in Texas prior to enrollment.

Upper Division, UTB Undergraduate and Graduate Foreign Students

These are non-residents who are not permanent residents of the United States or have not been permitted by Congress to adopt the United States as their domicile. An individual classified as a non-resident or foreign student may qualify, under certain exceptions specified in these rules, for resident tuition rates and other charges while continuing to be classified as a non-resident or a foreign student. Information on residency, reclassification, tuition exceptions and waivers is available at the Admissions Office and/or Financial Aid Office. [Tuition and fees are subject to change as laws and conditions may necessitate.]

Assessment of Tuition and Fees

Tuition and fees are subject to change by the Texas Legislature and become effective in accordance with state statute. The Texas Legislature does not set the specific amount for any particular student fee. The student fees assessed are authorized by state statute; however, the specific fee amounts and the determination to increase fees are made by the university administration and The University of Texas System Board of Regents.

Course Discount Incentive

In an effort to give students incentives to graduate in a timely manner, UTB/TSC has implemented a flat fee (tuition cap) for students taking more than 15 semester credit hours more per semester. The tuition cap applies to tuition and all mandatory fees only.

UTB/TSC is offering a 25 percent discount applied to the enrolled course for students enrolling classes that begin on or before 7:00 a.m. or Saturday classes. A discount of 10 percent applied to the enrolled course for students enrolling in courses where the majority of the course (more than 50 percent) takes place between noon to 4:00 p.m. These discounts apply to on campus courses only. Courses that are not discounted will be considered first for the purposes of applying flat fee tuition cap.
